for vegetables

willow dome

farm garden
with medicinal
plants

plastic covered
greenhouse
160 m²

cultivation area 1
for vegetables

Short overview about the organic garden with the unique social aspect

- Beginning in 2001 with 300 m² crop area and 2 gardeners assistant at the area of HBLFA Raumberg/Gumpenstein former BAL Gumpenstein
- Expansion to 600 m² and finally to 1.200 m²
- 2003 Construction of the 1. plastic covered tunnel
- Maintenance work for villages, hotels and privat gardens in the Ennstal-Valley
- 2009 Construction of the new plastic covered greenhouse bought by Lebenshilfe
- 2016 Official organic certification of young plants and vegetables
- 2020 nearly 15 assistants and gardeners are working in Gumpenstein and in the maintenance work
- Every year a garden day in the center of municipality of Irdning-Donnersbachtal: sharing of plants, information of organical farming together with the primary school and HBLFA Raumberg-Gumpenstein

Plastic Covered Greenhouse

- Young plants: main focus on tomatoes with nearly 25 varieties, seed production and selling of vegetables
- Other vegetable young plants: main focus on varieties for the special climate conditions in Ennstal
- Grow of herbs and medicinal plants: certainty at the determination of plants and natural reserve
- Cultivation by hand – thereby reaching a high quality
- sensitive plants like tomatoes, red and green peppers and cucumber
- flower streaks for a better pollination

Medicinal and Farm Garden

- Since 2004 the original form is less unchanged
- Nearly all plants are home growing
- Accessible for people everytime
- Wild plants, vegetables, flowers and berries
- 3 raised-beds · 2 of them are barrier-free
- Guided tours for public and schools, garden events

Vegetable cultivation area

- Cultivation of the own young plants, direct drilling of beans, carrots, potatoes etc.
- Cultivation of herbs
- Care and harvesting by hand without machine
- Only use of organic fertilizers
- Use of summer green cut

Some impressions

training & working
in harmony **with nature**

Thank you for your attention
